2021 Tourism Awards Information

Before you nominate, please ensure you read the category questions and criteria carefully and read the 'Rules for Entry' documents found on your State/Territory Awards websites.

The Australian Tourism Industry Council are embarking on new, integrated system for Australia's business development programs which incorporates the Tourism Award program.

This year the awards judging will encompass various elements to provide a more robust judging process. Awards will be judged on the written submission and some categories may include an online review and a consumer review element.
